

- Saturday May 5, 2018

- Entry fee will be \$150/team

- Max 5 allowed on roster

- - Modified single elimination
- - Alternate between 8 & 9 ball racks. Racks starting with 8 ball
- - Team Captains flip to decide who must declare their three players for the match. Winner of the flip has the choice of declaring first or having the opposing team captains choose first. The captains will list their players in ascending order (lowest to highest). That list determines the player rotation and is locked for the match. Once both teams in a match have declared their players, the players cannot be changed unless the 15-Rule is in jeopardy.
- - The winning team breaks with the next player in the rotation after each rack.
- - Each individual rack is worth 1 team point. Games Must Win chart will be used.
- - The total of the skill levels of the 3 players fielded in any team match cannot exceed 15. A player's highest skill level between formats (8-Ball & 9-Ball) must be used towards the 15-Rule. Exception: Skill level 8/9's will count as 7's in this tournament.
- - Only 1 senior skill level 6 or higher may play in any given match.
- - Players must have at least (20) 8-Ball scores or (20) 9-Ball scores by the entry deadline of July 9, 2018. A combination of scores from the two formats is not allowed.
- - Players must have completed 2 sessions as a Team Captain of 8-Ball, 9-Ball or Ladies team.
- - The winning team will qualify for the 2018 APA Team Captains Championship in Las Vegas from Friday August 10, 2018 to August 15, 2018.
- - Winning team will receive travel & lodging assistance from the entry fees into the qualifier.
- - NOLA APA will pay for entry into the National tournament as well as the green fee for the team.
